

THE MAYFAIR PERFORMING COMPANY

Thank you for your continued interest and support of Mayfair. The Mayfair Performing Company is NOT currently operating as a dance school. However, the legacy of Mayfair continues through the efforts & resources of Chicago Human Rhythm Project (CHRP) along with the Sutton Family.

The building at 8701 Bennett (NOT the business) was sold to CHRP which is an arts organization that supports the art of Tap Dance and the dance community at large.

Stay tuned for future events and the continuation of Mayfair's legacy...
